INDEPENDENT AUDITOR'S REPORT

To the Members of Nagapattinam Energy Private Limited

Report on the Audit of the Financial Statements

1. Opinion

We have audited the financial statements of **Nagapattinam Energy Private Limited** ("the Company"), which comprise the Balance Sheet as at March 31 2021, and the statement of Profit and Loss (including Other Comprehensive Income), statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity the accounting principles generally accepted in India including Indian Accounting Standards ("Ind AS") prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules as amended and other accounting principles generally accepted in India, of the state of affairs (financial position) of the Company as at 31 March 2021, and its loss (financial performance including other comprehensive income), the changes in equity and its cash flows for the year ended on that date.

2. Basis for Opinion

We conducted our audit in accordance with Standards on Auditing ("SAs") specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the financial statements.

3. Material uncertainty Related to Going Concern

The Company has accumulated losses and its net worth has been fully eroded, the company has incurred net cash loss during the year ended March 31, 2021 and previous years and the Company's current liabilities exceeded its current assets as at March 31, 2021. These conditions indicate the existence of a material uncertainty that may cast significant doubt on the Company's ability to continue as a going concern. However, the financial statements of the Company have been prepared on a going concern basis for the reasons stated in the Note No.4.10 of financial statements.

Address - 30, Patil Arcade, Near Sharada Centre, Khilare Path, Erandwane, Pune - 411004
Phone - 020-2543 0449, Mobile - 750 740 0449, email - psupadhye.ca@gmail.com

4. Emphasis of Matter (s)

We draw attention to:

Note No 4.10 of the financial statements, regarding impairment assessment performed by the Company in respect of its Capital Work in Progress of Rs 36,67,26,083/- in accordance with Ind AS 36 "Impairment of Assets". This assessment involves significant management judgment and estimates on the valuation methodology and various assumptions used in determination of value in use/fair value by independent valuation experts / management as more fully described in the aforesaid note. Based on management's assessment and independent valuation reports, the Company has made provision for impairment loss of Rs 24,25,02,859/- in respect to Capital Work in Progress for the financial year ended March 31, 2021.

Our opinion is not modified in respect of above stated matters.

5. Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report including annexures to Board's Report and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

6. Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

7. Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that

were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

8. Report on Other Legal and Regulatory Requirements

- I. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, the Company being private limited company, the said clause is not applicable.
- II. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- III. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The company has no branch offices whose accounts are audited by branch auditors
 - (d) The Balance Sheet, the Statement of Profit and Loss (Including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
 - (e) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act and the rules prescribed there under.
 - (f) On the basis of the written representations received from the directors as on March 31, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (g) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to financial statements.
 - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact, if any, of pending litigations on its financial position in its financial statements.

- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. there were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

ANNEXURE B TO INDEPENDENT AUDITORS' REPORT

[Referred to in paragraph II under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditors' Report of even date to the members of Nagapattinam Energy Private Limited on the Ind AS financial statements as of and for the year ended 31st March, 2021.]

- i.
 - a) The company has maintained proper records showing full particulars including quantitative details and situation of fixed assets.
 - b) All the fixed assets have been physically verified by the management during the year and no material discrepancies were identified on such verification.
 - c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
- ii. The Company does not have inventory. Accordingly, the requirements of paragraph 3(ii) of the Order are not applicable to the Company.
- iii. As informed, the Company has not granted any loans, secured or unsecured to companies, firms, limited liability partnerships or other parties covered in the register maintained under Section 189 of the Act. Accordingly, paragraphs 3(iii)(a), 3(iii)(b) and 3(iii)(c) of the Order are not applicable.
- iv. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Act, in respect of loans, investments, guarantees and securities made.
- v. The Company has not accepted any deposits. Hence the provisions stated in paragraph 3 (v) of the order are not applicable to the Company.
- vi. The provisions of sub-section (1) of section 148 of the Act are not applicable to the Company. Accordingly, the provisions stated in paragraph 3 (vi) of the order are not applicable to the Company.
- vii.
 - a) According to the information and explanation given to us, the Company is regular in depositing with appropriate authorities undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales-tax, wealth tax, service tax, duty of customs, duty of excise, value added tax, goods and service tax, cess and any other statutory dues applicable to it.

According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, goods and service tax, cess and any other material statutory dues applicable to it, were outstanding, as on the last day of the financial year, for a period of more than six months from the date they became payable;
 - b) According to information and explanation given to us, there are no disputed dues with statutory authorities which have not been deposited on account of disputes.
- viii. The Company does not have any loans or borrowings from any financial institution, banks, government or debenture holders during the year. Accordingly, paragraph 3(viii) of the Order is not applicable.
- ix. The Company did not raise any money by way of initial public offer or further public offer (including debt instruments) and term loans during the year. Accordingly, paragraph 3 (ix) of the Order is not applicable.

- x. During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company by its officers or employees during the course of our audit.
- xi. According to the information and explanations given to us and based on our examination of the records of the Company, the company has not paid any managerial remuneration to its directors and hence paragraph 3(xi) of the Order is not applicable to the Company.
- xii. In our opinion and according to the information and explanations given to us, the Company is not a nidhi company. Accordingly, paragraph 3(xii) of the Order is not applicable.
- xiii. According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- xiv. According to the information and explanations give to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, the provisions of clause 3 (xiv) of the Order are not applicable to the Company.
- xv. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, paragraph 3(xv) of the Order is not applicable.
- xvi. In our opinion, the Company is not required to be registered under section 45 IA of the Reserve Bank of India Act, 1934 and accordingly, the provisions of clause 3 (xvi) of the Order are not applicable to the Company.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph II (g) under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditors' Report of even date to the members of Nagapattinam Energy Private Limited on the Ind AS financial statements for the year ended March 31, 2021))

Report on the Internal Financial Controls With reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of Nagapattinam Energy Private Limited ("the Company") as of 31st March, 2021 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls With reference to financial statements issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls With reference to financial statements (the "Guidance Note") issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls With reference to financial statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that:

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
3. provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls With reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion:

The Company has acquired land to be ultimately used in implementation of port and power project by its holding company. The Company is not having documented formal process of risk assessment and related controls relating to its setup phase and future business processes but all the possible risk are adequately mitigated through effective control by personal supervision of Board of Directors.

In our opinion, Considering the small sized business entity and related operations and achievement of the objectives of the control criteria and to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at 31st March, 2021, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

NAGAPATTINAM ENERGY PRIVATE LIMITED

Notes to the Financial Statements for the year ended March 31, 2021

- Held primarily for purpose of trading;
- Expected to be realized within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current

All liabilities are current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets or liabilities.

3.6 Functional and presentation currency:

The Functional and presentation currency of the Company is Indian rupees. Accordingly, all amounts disclosed in the financial statements and notes have been shown in Indian rupees.

3.7 Revenue from contracts with customers:

Revenue from contract with customers is recognised when the control of the goods or services is transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services.

3.8 Property, Plant and Equipment:

Freehold Land is stated at historical cost.

Property, plant and equipment are stated at their original cost of acquisition including taxes, duties, freight, other incidental expenses related to acquisition and installation of the concerned assets and excludes refundable taxes and duties.

Expenses incurred relating to project, net of income earned during the project development stage prior to its intended use, are considered as pre - operative expenses and disclosed under Capital Work- in- Progress.

Any gain or loss on disposal of an item of property, plant and equipment is recognized in profit or loss.

3.9 Depreciation:

Depreciation is calculated on cost of items of property, plant and equipment in the manner and as per the useful life prescribed under Schedule-II to the Act on Straight Line Method. Depreciation on additions (disposals) is provided on a pro-rata basis i.e. from (up to) the date on which asset is ready for use (disposed of).

At each financial year end, management reviews the residual values, useful lives and method of depreciation of property, plant and equipment and values of the same are adjusted prospectively where needed.

NAGAPATTINAM ENERGY PRIVATE LIMITED

Notes to the Financial Statements for the year ended March 31, 2021

3.10 Investment

Investment in subsidiaries are stated at cost less any provision for impairment.

The company assesses investments for impairment whenever events or changes in circumstances indicate that the carrying value of an investment may not be fully recoverable. If any such indication of impairment exists, the Company make an estimate of the recoverable amount. If the recoverable amount of the cash generating unit is less than the value of investment, the investment is considered to be impaired and its written downs to its recoverable amount. An impairment loss is recognised immediately in the profit and loss account.

3.11 Fair Value Measurement: -

The Company measures financial instruments at fair value in accordance with the accounting policies mentioned above. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability or;
- In the absence of a principal market, in the most advantageous market for the asset or liability.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy that categorizes into three levels, described as follows, the inputs to valuation techniques used to measure value. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 inputs) and the lowest priority to unobservable inputs (Level 3 inputs).

Level 1 — quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 — inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly

Level 3 — inputs that are unobservable for the asset or liability

For the purpose of fair value disclosures, the company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

3.12 Financial instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial Assets:

i Classification:

Financial assets are recognised in the statement of financial position when, and only when, the Company becomes a party to the contractual provisions of the financial instrument. The Company determines the classification of its financial assets at initial recognition

NAGAPATTINAM ENERGY PRIVATE LIMITED

Notes to the Financial Statements for the year ended March 31, 2021

The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit or loss on the basis of its business model for managing the financial assets and the contractual cash flows characteristics of the financial asset

ii Initial recognition and measurement:

At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

iii Financial Assets measured at amortised cost:

Financial assets are measured at amortised cost when asset is held within a business model, whose objective is to hold assets for collecting contractual cash flows and contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest. Such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. The losses arising from impairment are recognised in the Statement of profit and loss. This category generally applies to trade and other receivables.

iv Financial Assets measured at fair value through other comprehensive income (FVTOCI):

Financial assets under this category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income.

v Financial Assets measured at fair value through profit or loss (FVTPL):

Financial assets under this category are measured initially as well as at each reporting date at fair value with all changes recognised in profit or loss.

vi De-recognition

A financial asset is derecognised when the contractual right to receive cash flows from the asset has expired. On de-recognition of a financial asset in its entirety, the difference between the carrying amount and the sum of the consideration received and any cumulative gain or loss that has been recognised in other comprehensive income is recognised in profit or loss

vii Impairment of Financial Assets:

In accordance with Ind - AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the financial assets that are debt instruments and trade receivables.

Financial Liabilities:

i Classification:

The Company classifies all financial liabilities as subsequently measured at amortised cost, except for financial liabilities at fair value through profit or loss. Such liabilities, including derivatives that are liabilities, shall be subsequently measured at fair value.

A
B

NAGAPATTINAM ENERGY PRIVATE LIMITED

Notes to the Financial Statements for the year ended March 31, 2021

ii Initial recognition and measurement:

All financial liabilities are recognised initially at fair value, in the case of loans, borrowings and payables, net of directly attributable transaction costs. Financial liabilities include trade and other payables, loans and borrowings including bank overdrafts and derivative financial instruments.

iii Subsequent measurement:

After initial recognition, financial liabilities are subsequently measured at amortised cost using the effective interest rate method. Gains and losses are recognised in profit or loss when the liabilities are derecognised, and through the amortisation process.

iv Derecognition of Financial Liabilities:

A financial liability is de-recognised when the obligation under the liability is discharged, cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a de-recognition of the original liability and the recognition of a new liability, and the difference in the respective carrying amounts is recognised in profit or loss.

3.13 Impairment of non-financial Assets:

The Company assesses at each reporting date as to whether there is any indication that any property, plant and equipment and intangible assets or group of assets, called cash generating units (CGU) may be impaired. If any such indication exists the recoverable amount of an asset or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the CGU to which the asset belongs.

An impairment loss is recognized in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets.

The impairment loss recognized in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

3.14 Earnings per share

Basic earnings per share is calculated by dividing the net profit for the year attributable to the shareholders of the Company and weighted average number of shares outstanding during the year.

Diluted earnings per share is calculated by dividing the net profit for the year attributable to the shareholders of the Company and weighted average number of equity and potential equity shares outstanding during the year including share options, convertible preference shares and debentures, except where the result would be anti-dilutive. Potential equity shares that are converted during the year are included in the calculation of diluted earnings per share, from the beginning of the year or date of issuance of such potential equity shares, to the date of conversion.

NAGAPATTINAM ENERGY PRIVATE LIMITED

Notes to the Financial Statements for the year ended March 31, 2021

3.15 Provision for Current and Deferred Tax: -

The tax expense for the period comprises current and deferred tax. Taxes are recognised in the statement of profit and loss, except to the extent that it relates to the items recognised in the comprehensive income or in Equity. In which case, the tax is also recognised in the comprehensive income or in Equity

Current tax:

Provision for Current tax is made on the basis of relevant provision of The Income Tax Act, 1961 as applicable to the financial year.

Deferred tax:

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted on the reporting date, however deferred tax asset is not recognized in the books of accounts as a prudent accounting policy.

3.16 Provision, Contingent Liabilities and Contingent Assets:

Provisions are recognized when the company has present obligation (legal or constructive) as a result of past event and it is probable that outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense related to a provision is presented in the statement of profit and loss net of any reimbursement/contribution towards provision made.

If the effect of the time value of money is material, estimate for the provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Contingent liability:

Contingent liability is disclosed in the case;

- When there is a possible obligation which could arise from past event and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or;
- A present obligation that arises from past events but is not recognized as expense because it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation or;

Contingent Liability are not provided and are disclosed in Notes to Accounts. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

NAGAPATTINAM ENERGY PRIVATE LIMITED

Notes to the Financial Statements for the year ended March 31, 2021

Contingent asset:

- Contingent asset is disclosed in case a possible asset arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company.

Contingent liabilities, contingent assets are reviewed at each balance sheet date.

3.17 Events occurring after the Balance Sheet Date

Events occurring after the Balance Sheet date and till the date on which the financial statements are approved, which are material in the nature and indicate the need for adjustments in the financial statements have been considered.

3.18 Significant accounting estimate, assumptions and judgement:

Key accounting judgments', estimates and assumptions:

The preparation of the Company's financial statements requires the management to make judgments', estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

In particular, information about significant areas of estimates and judgments in applying accounting policies that have the most significant effect on the amounts recognized in the standalone financial statements are as below:

- a. Assessment of functional currency (Refer Note No: 3.6);
- b. Recoverability of Investment in subsidiaries (Refer Note No: 3.10)
- c. Financial instruments (Refer Note No 3.11);
- d. Impairment of financial and non-financial assets (Refer Note No. 3.11 and 3.12)
- e. Contingencies and Provisions (Refer Note No. 3.16).

Revisions to accounting estimates are recognized prospectively in the Statement of Profit and Loss in the period in which the estimates are revised and in any future periods affected.

Face Value of Equity Share (Rs)	10	10
Earnings Per Share (Rs.) (Basic and Diluted)	(970.13)	(0.28)

NAGAPATTINAM ENERGY PRIVATE LIMITED

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021

4.7 Financial risk management

The Company's financial liabilities comprise mainly of trade payables and other payables. The Company's financial assets comprise mainly of investments, cash and cash equivalents, other balances with banks and other receivables.

Company has exposure to following risks arising from financial instruments:

- a) Credit risk
- b) Liquidity risk
- c) Market risk

Risk management framework

Company's board of directors has overall responsibility for establishment of Company's risk management framework. Management is responsible for developing and monitoring Company's risk management policies, under the guidance of Audit Committee. Management identifies, evaluate and analyses the risks to which is company is exposed to and set appropriate risk limits and controls to monitor risks and adherence to limits.

Management periodically reviews its risk policy and systems to assess need for changes in the policies to adapt to the changes in market conditions and align the same to the business of the Company. Management through its interaction and training to concerned employees aims to maintain a disciplined and constructive control environment in which concerned employees understand their roles and obligations.

a) Credit risk

Credit risk is the risk of loss that may arise on outstanding financial instruments should a counterparty default on its obligations. The Company's exposure to credit risk arises primarily from amount due from subsidiaries companies and other receivables. For other financial assets, the Company minimise credit risk by dealing exclusively with high credit rating counterparties.

b) Liquidity risk.

Liquidity risk is the risk that the Company will encounter difficulty in meeting financial obligations due to shortage of funds. The Company's objective is to maintain a balance between continuity of funding and flexibility through available funding from shareholder. The Company's financial liabilities are due within one year

c) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risks;

- a) Interest rate risk
- b) Currency risk and;

Financial instruments affected by market risk includes investments, trade payables, loans and other financial instruments.

The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimizing the return

a) Interest rate risk and sensitivity

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing investments will fluctuate because of fluctuations in the interest rates.

The company has no borrowings from banks and financial institutions.

Since the Company does not have any financial assets or financial liabilities bearing floating interest rates, a change in interest rates at the reporting date would not have any significant impact on the financial statements of the Company.

(b) Foreign currency risk and sensitivity

The Company is not exposed to currency risk on account of its borrowings and other payables. The functional currency of the Company is Indian Rupees.

The Company does not use derivative financial instruments for trading or speculative purposes.

4.8 Capital Management

For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's Capital management is to safeguard continuity, maintain a strong credit rating and healthy capital ratios in order to support its business and provide adequate return to shareholders through continuing growth.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. The funding requirement is met through a mixture of equity, internal accruals, long term borrowings from Holding Company.

NAGAPATTINAM ENERGY PRIVATE LIMITED
NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021

4.9 Fair value measurement

A) The carrying value and Fair value of Financial assets and liabilities by categories are as follows :

(Amount in Rupees)

Particulars	Carrying value of the financial assets/liabilities		Fair value of the financial assets/liabilities	
	As at March 31, 2021	As at March 31, 2020	As at March 31, 2021	As at March 31, 2020
Financial Assets at amortised cost (current)				
Cash and Bank Balances	1,19,273	67,072	1,19,273	67,072
Total	1,19,273	67,072	1,19,273	67,072
Financial Liabilities at amortised cost (current)				
Other financial liabilities	10,000	10,000	10,000	10,000
Total	10,000	10,000	10,000	10,000

B) Level wise disclosures of financial assets and liabilities by categories are as follows :

Fair value of cash and cash equivalents, trade payables and other financial assets/liabilities approximate their carrying amounts largely due to the short term maturities of these instruments. Methods and assumptions used to estimate the fair values are consistent with those used for the year ended March 31, 2018.

During the reporting period ended March 31, 2021 and March 31, 2020, there were no transfers between level 1, level 2 and level 3 fair value measurements

4.10 The Holding company along with the Company and its subsidiaries had proposed to set up a thermal power project and captive port in Tamil Nadu. The Holding Company had obtained the approvals for the projects including acquisition of land but no construction activity had commenced.

However, on account of subsequent adverse developments, the Company management had decided not to pursue these projects. The COVID pandemic is expected to have wide ranging long term impact on project activity and greenfield projects.

The Company management has obtained project valuation report from independent valuer for determining the value of the project and recoverable amount thereof as at March 31, 2021 for assessment of impairment loss, if any as required by Ind AS 36 "Impairment of Assets".

Considering premature status of the project, prevailing power sector scenario, long lasting impact of Covid pandemic on the project and recoverable amount as considering the current scenario as referred above in respect of setup of thermal power project and captive port in Tamil Nadu, the financial statements have been prepared by the company management on the going concern basis, taking into account commitment of financial support by the shareholders to meet out the project expenses, current and other liabilities.

4.11 Events occurring after the Balance Sheet date

No adjusting or significant non-adjusting events have occurred between the reporting date and the date of authorisation.

4.12 Previous year figures have been regrouped/ rearranged, wherever considered necessary to conform to current year's classification.

INDEPENDENT AUDITOR'S REPORT

To the Members of Nagapattinam Energy Private Limited
Report on the Audit of the Consolidated Financial Statements

1. Opinion

We have audited the accompanying consolidated financial statements of **Nagapattinam Energy Private Limited** ("the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at March 31, 2021, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity the accounting principles generally accepted in India including Indian Accounting Standards ("Ind AS") prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules as amended, of the consolidated state of affairs of the Group as at March 31, 2021, the consolidated loss and other comprehensive income, the consolidated changes in equity and its consolidated cash flows for the year ended on that date.

2. Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Consolidated Financial Statements" section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the independence requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

3. Material uncertainty Related to Going Concern

The Group has accumulated losses and its net worth has been fully eroded, the Group has incurred net cash loss during the year ended March 31, 2021 and previous years and the Group's current liabilities exceeded its current assets as at March 31, 2021. These conditions indicate the existence of a material uncertainty that may cast significant doubt on the Group's ability to continue as a going concern. However, the consolidated financial statements of the Group have been prepared on a going concern basis for the reasons stated in the Note No.4.10 of the consolidated financial statements.

Address - 30, Patil Arcade, Near Sharada Centre, Khilare Path, Erandwane, Pune
Phone - 020-2543 0449, Mobile - 750 740 0449, email - psupadhye.ca@gmail.com

4. **Emphasis of Matter**

We draw attention to:

Note No 4.10 of the consolidated financial statements, regarding impairment assessment performed by the Group in respect of its Capital Work in Progress of Rs 36,67,26,083/- in accordance with Ind AS 36 "Impairment of Assets". This assessment involves significant management judgment and estimates on the valuation methodology and various assumptions used in determination of value in use/fair value by independent valuation experts / management as more fully described in the aforesaid note. Based on management's assessment and independent valuation reports, the Group has made provision for impairment loss of Rs 24,25,02,859/- in respect to Capital Work in Progress for the financial year ended March 31, 2021.

Our opinion is not modified in respect of above stated matters.

5. **Information Other than the Consolidated Financial Statements and Auditor's Report Thereon**

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report including annexures to Board's Report and Shareholder's Information, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance / conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

6. **Management's Responsibility for the Consolidated Financial Statements**

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated total comprehensive income, consolidated changes in equity and consolidated cash flows of the Group, in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group are responsible for maintenance of the adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective management and Board of Directors of the companies included in the Group are responsible for assessing the ability of each Company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group is also responsible for overseeing the financial reporting process of each Company.

7. Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Group has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting in preparation of consolidated financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group (Holding Company and Subsidiaries) to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and

events in a manner that achieves fair presentation.

We communicate with those charged with governance of the Holding Company, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

8. Report on Other Legal and Regulatory Requirements

- I. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, the Group being private limited company, the said clause is not applicable.
- II. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Holding Company so far as it appears from our examination of those books;
 - (c) The Holding company has no branch offices whose accounts are audited by branch auditors;
 - (d) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (Including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
 - (e) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act and the rules prescribed there under.
 - (f) On the basis of written representations received from the directors of the Holding Company and its subsidiaries as on March 31, 2021 and taken on record by the Board of Directors of the respective companies, none of the directors of the Group companies is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164 (2) of the Act
 - (g) With respect to the adequacy of the internal financial controls with reference to financial

statements of the Group and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Group's internal financial controls with reference to financial statements

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Group does not have any pending litigations which would impact its financial position – Refer Note 4.1 to the consolidated financial statements.
 - ii. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. there were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph II (g) under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditors' Report of even date to the members of Nagapattinam Energy Private Limited on the Consolidated financial statements for the year ended March 31, 2021))

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Nagapattinam Energy Private Limited ('the Holding Company') and its subsidiary Companies which are companies incorporated in India, as at March 31, 2021 in conjunction with our audit of the consolidated financial statements of the Group for the year ended and as on that date.

Management's Responsibility for Internal Financial Controls

The Respective Board of Directors of the Holding Company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in

accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
3. provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion:

The Group has acquired land to be ultimately used in implementation of port and power project by its ultimate holding company. The Group is not having documented formal process of risk assessment and related controls relating to its setup phase and future business processes but all the possible risk is adequately mitigated through effective control by personal supervision of respective Board of Directors.

In our opinion, Considering the size of the business and related operations and achievement of the objectives of the control criteria and to the best of our information and according to the explanations given to us, the Group has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2021, based on the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NAGAPATTINAM ENERGY PRIVATE LIMITED

Notes to the Consolidated Financial Statements for the year ended March 31, 2021

2. Corporate Information

Nagapattinam Energy Private Limited ("the Holding Company") is a private limited company incorporated in India (CIN: U40100TN2008PTC069515) having its registered office in Chennai. The Holding Company is engaged in generation of electrical power and presently not implementing any project. The consolidated financial statement comprises financials of the Holding company and its subsidiaries (referred to collectively as "the Group").

These consolidated financial statements for the year ended March 31, 2021 were approved for the issue by the Board of Directors vide their Board Meeting dated July 9, 2021.

3. Significant Accounting Policies

3.1 Principles of Consolidation

The consolidated financial statements have been prepared in accordance with Ind AS 110 on "Consolidated Financial Statements" on the following principles:

- a) Subsidiaries are entities controlled by the Holding Company. Control exists when the Holding Company has power over the entity, is exposed, or has rights, to variable returns from its involvement with the entity and has the ability to affect those returns by using its power over the entity. Power is demonstrated through existing rights that give the ability to direct relevant activities, those which significantly affect the entity's returns. The financial statements of the subsidiaries are included in the consolidated Ind AS financial statements from the date on which control commences until the date on which the control ceases.
- b) The consolidated Ind AS financial statements comprise of the financial statement of the Holding Company and its subsidiaries referred herein in Para g below. The financial statements of the Holding Company and its subsidiaries have been consolidated on a line by line basis by adding together the book values of like items of assets, liabilities, incomes and expenses after eliminating intra-group balances, intra group transactions and unrealized profits resulting there from and are presented to the extent possible, in the same manner as the Holding Company independent financial statements.
- c) The financial statements of the Holding Company and its subsidiaries have been consolidated using uniform accounting policies for like transactions and other events in similar circumstances. When necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies into line with the Group's accounting policies. The financial statements of the subsidiaries used in consolidation are drawn up to the same reporting date as that of the Holding Company i.e., year ended March 31, 2021.
- d) Non-controlling interests in the net assets of consolidated subsidiaries consists of:
 - The amount of equity attributable to non-controlling interests at the date on which investment in a subsidiary is made; and
 - The non-controlling interests' share of movements in equity since the date parent subsidiary relationship came into existence.
 - The profit and other comprehensive income attributable to non-controlling interests of subsidiaries are shown separately in the Statement of Profit and Loss Statement of Changes in Equity.

NAGAPATTINAM ENERGY PRIVATE LIMITED

Notes to the Consolidated Financial Statements for the year ended March 31, 2021

- e) The consolidated Financial Statements present the consolidated accounts of Nagapattinam Energy Private Limited with its subsidiaries companies.

Sr.No	Name of the Company	Country of Incorporation
i	Best Exim Private Limited	India
ii	Marshal Microware Infrastructure Development Private Limited	India
iii	Success Power and Infraprojects Private Limited	India

Note 1 : Ownership interest in all the Subsidiary Companies is 100%

2 : Reporting dates of all Subsidiary Companies is March 31, 2021

3.2 Basis of Preparation

The consolidated financial statements of the Group have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 ("Act") read with Companies (Indian Accounting Standards) Rules, 2016; as amended and the other relevant provisions of the Act and Rules thereunder

The consolidated financial statements have been prepared on a historical cost basis except for certain financial assets and financial liabilities (including financial instruments) which have been measured at fair value at the end of each reporting period as explained in the accounting policies stated below.

3.3 Use of Estimates

The preparation of consolidated financial statements in conformity with generally accepted accounting principles in India (Indian GAAP) requires management to make estimate and assumption that affects the reported amount of assets, liabilities, revenues and expenses and disclosure of contingent Liabilities on the date of the consolidated financial statements. The estimate and assumptions used in the accompanying consolidated financial statements are based upon management's evaluation of the relevant facts and circumstances as of the date of the consolidated financial statements, which in management's opinion are prudent and reasonable. Actual results may differ from the estimates used in preparing the accompanying consolidated financial statements. Any revision to accounting estimates is recognised prospectively in current and future period.

3.4 Standards issued but not effective

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards. There is no such notification which would have been applicable to the Group from April 1, 2021.

MCA issued notifications dated March 24, 2021 to amend schedule III to the Companies Act, 2013 to enhance the disclosures required to be made by the Group in its financial statements. These amendments are applicable to the Group for the financial year starting April 1, 2021.

NAGAPATTINAM ENERGY PRIVATE LIMITED

Notes to the Consolidated Financial Statements for the year ended March 31, 2021

3.5 Current versus non-current classification

The Group has classified all its assets and liabilities under current and non-current as required by Ind AS 1- Presentation of Financial Statements. The asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle;
- Held primarily for purpose of trading;
- Expected to be realized within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current

All liabilities are current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets or liabilities.

3.6 Functional and presentation currency:

The Functional and presentation currency of the Group is Indian rupees. Accordingly, all amounts disclosed in the consolidated financial statements and notes have been shown in Indian rupees.

3.7 Revenue from contracts with customers:

Revenue from contract with customers is recognised when the control of the goods or services is transferred to the customer at an amount that reflects the consideration to which the Group expects to be entitled in exchange for those goods or services.

3.8 Property, Plant and Equipment:

Freehold Land is stated at historical cost.

Property, plant and equipment are stated at their original cost of acquisition including taxes, duties, freight, other incidental expenses related to acquisition and installation of the concerned assets and excludes refundable taxes and duties.

Expenses incurred relating to project, net of income earned during the project development stage prior to its intended use, are considered as pre - operative expenses and disclosed under Capital Work- in- Progress

Any gain or loss on disposal of an item of property, plant and equipment is recognized in profit or loss.

NAGAPATTINAM ENERGY PRIVATE LIMITED

Notes to the Consolidated Financial Statements for the year ended March 31, 2021

The Group classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit or loss on the basis of its business model for managing the financial assets and the contractual cash flows characteristics of the financial asset

ii Initial recognition and measurement:

At initial recognition, the Group measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

iii Financial Assets measured at amortised cost:

Financial assets are measured at amortised cost when asset is held within a business model, whose objective is to hold assets for collecting contractual cash flows and contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest. Such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. The losses arising from impairment are recognised in the consolidated Statement of profit and loss. This category generally applies to trade and other receivables.

iv Financial Assets measured at fair value through other comprehensive income (FVTOCI):

Financial assets under this category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income.

v Financial Assets measured at fair value through profit or loss (FVTPL):

Financial assets under this category are measured initially as well as at each reporting date at fair value with all changes recognised in the consolidated Statement of profit and loss.

vi De-recognition

A financial asset is derecognised when the contractual right to receive cash flows from the asset has expired. On de-recognition of a financial asset in its entirety, the difference between the carrying amount and the sum of the consideration received and any cumulative gain or loss that has been recognised in other comprehensive income is recognised in consolidated Statement of profit and loss.

vii Impairment of Financial Assets:

In accordance with Ind - AS 109, the Group applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the financial assets that are debt instruments and trade receivables.

NAGAPATTINAM ENERGY PRIVATE LIMITED

Notes to the Consolidated Financial Statements for the year ended March 31, 2021

Financial Liabilities:

i Classification:

The Group classifies all financial liabilities as subsequently measured at amortised cost, except for financial liabilities at fair value through profit or loss. Such liabilities, including derivatives that are liabilities, shall be subsequently measured at fair value.

ii Initial recognition and measurement:

All financial liabilities are recognised initially at fair value, in the case of loans, borrowings and payables, net of directly attributable transaction costs. Financial liabilities include trade and other payables, loans and borrowings including bank overdrafts and derivative financial instruments.

iii Subsequent measurement:

After initial recognition, financial liabilities are subsequently measured at amortised cost using the effective interest rate method. Gains and losses are recognised in profit or loss when the liabilities are derecognised, and through the amortisation process.

iv Derecognition of Financial Liabilities:

A financial liability is de-recognised when the obligation under the liability is discharged, cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a de-recognition of the original liability and the recognition of a new liability, and the difference in the respective carrying amounts is recognised in profit or loss.

3.12 Impairment of non-financial Assets:

The Company assesses at each reporting date as to whether there is any indication that any property, plant and equipment and intangible assets or group of assets, called cash generating units (CGU) may be impaired. If any such indication exists the recoverable amount of an asset or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the CGU to which the asset belongs.

An impairment loss is recognized in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets.

The impairment loss recognized in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

3.13 Earnings per share

Basic earnings per share is calculated by dividing the net profit for the year attributable to the shareholders of the Holding Company and weighted average number of shares outstanding during the year.

NAGAPATTINAM ENERGY PRIVATE LIMITED

Notes to the Consolidated Financial Statements for the year ended March 31, 2021

Diluted earnings per share is calculated by dividing the net profit for the year attributable to the shareholders of the Holding Company and weighted average number of equity and potential equity shares outstanding during the year including share options, convertible preference shares and debentures, except where the result would be anti-dilutive. Potential equity shares that are converted during the year are included in the calculation of diluted earnings per share, from the beginning of the year or date of issuance of such potential equity shares, to the date of conversion.

3.14 Provision for Current and Deferred Tax: -

The tax expense for the period comprises current and deferred tax. Taxes are recognised in the consolidated Statement of profit and loss, except to the extent that it relates to the items recognised in the consolidated comprehensive income or in Equity. In which case, the tax is also recognised in the consolidated comprehensive income or in Equity

Current tax:

Provision for Current tax is made on the basis of relevant provision of The Income Tax Act, 1961 as applicable to the financial year.

Deferred tax:

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the consolidated financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted on the reporting date, however deferred tax asset is not recognized in the books of accounts as a prudent accounting policy.

3.15 Provision, Contingent Liabilities and Contingent Assets:

Provisions are recognized when the Group has present obligation (legal or constructive) as a result of past event and it is probable that outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense related to a provision is presented in the consolidated statement of profit and loss net of any reimbursement/contribution towards provision made.

If the effect of the time value of money is material, estimate for the provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Contingent liability:

Contingent liability is disclosed in the case;

NAGAPATTINAM ENERGY PRIVATE LIMITED

Notes to the Consolidated Financial Statements for the year ended March 31, 2021

- When there is a possible obligation which could arise from past event and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group or;
- A present obligation that arises from past events but is not recognized as expense because it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation or;

Contingent Liability are not provided and are disclosed in Consolidated Notes to Accounts. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent asset:

- Contingent asset is disclosed in case a possible asset arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group.

Contingent liabilities, contingent assets are reviewed at each balance sheet date.

3.16 Events occurring after the Balance Sheet Date

Events occurring after the Balance Sheet date and till the date on which the consolidated financial statements are approved, which are material in the nature and indicate the need for adjustments in the consolidated financial statements have been considered.

3.17 Significant accounting estimate, assumptions and judgement:

Key accounting judgments', estimates and assumptions:

The preparation of the Group's financial statements requires the management to make judgments', estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

In particular, information about significant areas of estimates and judgments in applying accounting policies that have the most significant effect on the amounts recognized in the consolidated financial statements are as below:

- a. Assessment of functional currency (Refer Note No: 3.6);
- c. Financial instruments (Refer Note No 3.11);
- d. Impairment of financial and non-financial assets (Refer Note No. 3.11 and 3.12)
- e. Contingencies and Provisions (Refer Note No. 3.15).

Revisions to accounting estimates are recognized prospectively in the Statement of Profit and Loss in the period in which the estimates are revised and in any future periods affected.

(Amount in Rupees)

Particulars	2020 -2021	2019 -2020
Accounting profit before income tax expenses	(24,26,01,469)	(1,58,980)
Enacted tax rates in India (%)	26.00%	26.00%
Expected income tax expenses		
Tax Effect of :	(6,30,76,382)	(41,335)
Accelerated capital allowances	73	59
Loss in respect of which deferred tax assets not recognized for the year*	6,30,76,309	41,276
Income tax expense reported	-	-

*In the absence of convincing evidence of future taxable profits, against which the unused tax losses can be utilised, the Group management has not recognised deferred tax assets in the consolidated financial statements.

C) The Group has the following unused tax losses under the head Business Loss under the Income Tax Act, 1961. Based on the probable uncertainty regarding the set off of these losses, the Group has not recognized deferred tax asset in the Balance Sheet:

(Amount in Rupees)

Particulars	As at March 31, 2021	As at March 31, 2020
Within five years	2,18,27,929	2,64,25,997
Greater than five years	6,55,262	16,24,196
No expiry	8,109	7,627
Total	2,24,91,300	2,80,57,820

4.6 Earnings per share

Net profit available to equity holders of the Group used in the basic and diluted earnings per share was determined as follows:

Particulars	2020 -2021	2019 -2020
Net Profit / (Loss) for the year attributable to Equity Shareholders	(24,26,01,469)	(1,58,980)
Weighted Average Number of Equity Shares outstanding for basic and diluted	2,50,000	2,50,000
Nominal Value of equity Share (Rs)	10	10
Earnings Per Share (Rs.) (Basic and Diluted)	(970.41)	(0.64)

4.7 Financial risk management

The Group's financial liabilities comprise mainly of trade payables and other payables. The Group's financial assets comprise mainly of investments, cash and cash equivalents, other balances with banks and other receivables.

Group has exposure to following risks arising from financial instruments:

- Credit risk
- Liquidity risk
- Market risk

Risk management framework

Group's board of directors has overall responsibility for establishment of Group's risk management framework. Management is responsible for developing and monitoring Group's risk management policies, under the guidance of Audit Committee. Management identifies, evaluate and analyses the risks to which Group is exposed to and set appropriate risk limits and controls to monitor risks and adherence to limits.

Management periodically reviews its risk policy and systems to assess need for changes in the policies to adapt to the changes in market conditions and align the same to the business of the Group. Management through its interaction and training to concerned employees aims to maintain a disciplined and constructive control environment in which concerned employees understand their roles and obligations.

a) Credit risk

Credit risk is the risk of loss that may arise on outstanding financial instruments should a counterparty default on its obligations. The Group's exposure to credit risk arises primarily from other receivables. For other financial assets, the Group minimise credit risk by dealing exclusively with high credit rating counterparties.

(Handwritten signatures)

NAGAPATTINAM ENERGY PRIVATE LIMITED**NOTES CONSOLIDATED TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021****b) Liquidity risk.**

Liquidity risk is the risk that the Group will encounter difficulty in meeting financial obligations due to shortage of funds. The Group's objective is to maintain a balance between continuity of funding and flexibility through available funding from shareholder. The Group's financial liabilities are due within one year

c) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risks;

- a) Interest rate risk
- b) Currency risk and;

Financial instruments affected by market risk includes investments, trade payables, loans and other financial instruments.

The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimizing the return

a) Interest rate risk and sensitivity

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing investments will fluctuate because of fluctuations in the interest rates. The Group has no borrowings from banks and financial institutions.

Since the Group does not have any financial assets or financial liabilities bearing floating interest rates, a change in interest rates at the reporting date would not have any significant impact on the financial statements of the Group.

(b) Foreign currency risk and sensitivity

The Group is not exposed to currency risk on account of its borrowings and other payables. The functional currency of the Group is Indian Rupees.

The Group does not use derivative financial instruments for trading or speculative purposes.

4.8 Capital Management

For the purpose of the Group's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders of the Holding Company. The primary objective of the Group's Capital management is to safeguard continuity, maintain a strong credit rating and healthy capital ratios in order to support its business and provide adequate return to shareholders through continuing growth.

The Group manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. The funding requirement is met through a mixture of equity, internal accruals, long term borrowings from Holding Company.

4.9 Fair value measurement

A) The carrying value and Fair value of Financial assets and liabilities by categories are as follows :

(Amount in Rupees)

Particulars	Carrying value of the financial assets/liabilities		Fair value of the financial assets/liabilities	
	As at March 31, 2021	As at March 31, 2020	As at March 31, 2021	As at March 31, 2020
Financial Assets at amortised cost (current)				
Cash and Bank Balances	1,73,487	1,21,335	1,73,487	1,21,335
Total	1,73,487	1,21,335	1,73,487	1,21,335
Financial Liabilities at amortised cost (current)				
Other financial Liabilities	81,93,459	81,93,459	81,93,459	81,93,459
Total	81,93,459	81,93,459	81,93,459	81,93,459

[Handwritten signatures]

NAGAPATTINAM ENERGY PRIVATE LIMITED

NOTES CONSOLIDATED TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021

B) Level wise disclosures of financial assets and liabilities by categories are as follows :

Fair value of cash and cash equivalents, trade payables and other financial assets/liabilities approximate their carrying amounts largely due to the short term maturities of these instruments. Methods and assumptions used to estimate the fair values are consistent with those used for the year ended March 31, 2020.

During the reporting period ended March 31, 2021 and March 31, 2020, there were no transfers between level 1, level 2 and level 3 fair value measurements

4.10 The Group along with its Holding Company - Tridem Port and Power Company Private Limited (TPPCL) had proposed to set up a thermal power project and captive port in Tamil Nadu. The Holding Company had obtained the approvals for the projects including acquisition of land but no construction activity had commenced.

However, on account of subsequent adverse developments, the Holding Company management had decided not to pursue these projects. The COVID pandemic is expected to have wide ranging long term impact on project activity and greenfield projects.

The Holding Company management has obtained project valuation report from independent valuer for determining the value of the project and recoverable amount thereof as at March 31,2021 for assessment of impairment loss, if any as required by Ind AS 36 "Impairment of Assets".

Considering premature status of the project, prevailing power sector scenario, long lasting impact of Covid pandemic on the project and recoverable amount as per the current project valuation report, the holding company has notwithstanding the uncertainties has on best possible estimate basis and after considering the valuation referred to in the preceding paragraph made provision for impairment loss of Rs 24,25,02,859/-against the Capital Work in Progress as at March 31,2021 as per Ind AS 36 "Impairment of Assets" and disclosed under the head "exceptional item" in the statement of profit and loss.

Considering the current scenario as referred above in respect of setup of thermal power project and captive port in Tamil Nadu, the financial statements have been prepared by the Holding company management on the going concern basis, taking into account commitment of financial support by the shareholders to meet out the project expenses, current and other liabilities.

4.11 Events occurring after the Balance Sheet date

No adjusting or significant non - adjusting events have occurred between the reporting date and the date of authorisation.

4.12 Previous year figures have been regrouped/ rearranged, wherever considered necessary to confirm to current year's classification.
